

RHIANNON SINCLAIR

PROJECT MANAGER

An urban planner with a background in architecture, **Rhiannon Sinclair's** work focuses on complex urban systems across multiple scales. She uses data-driven strategies to better understand and enhance the relationship between people, buildings, systems and the public realm. Rhiannon has considerable experience communicating information to broad audiences to promote strong community exchange and empowerment within a planning process. In her work, she finds that the role of this type of exchange and master plan facilitation contribute to plans that are visionary, comprehensive, and implementable.
