

# The WxLA Scholarship

August 14, 2019

The purpose of this award is to aid in the professional development and success of young and emerging leaders in our profession by covering the costs associated with attendance at the Conference on Landscape Architecture in San Diego.

The 2019 ASLA Conference on Landscape Architecture offers more than 120 education opportunities, allowing attendees to fulfill their professional development requirements and network with engaged and diverse professionals from all over the world over the course of four days (November 15-18, 2019).

## The Award

The award will cover the cost of full registration for the conference (\$1,225) and provide a housing and airfare stipend (\$1,500).

## Eligibility

Nominees must be early to mid-career (in first five years of practice) who do not have access or support to attend the conference otherwise. The scholarship intends to promote gender justice and help level the playing field for women in the profession. As such, preference will be given to female candidates (including non-binary and transgendered female candidates).

## Nominations

Nominators are encouraged to submit the name of a colleague or self-nominate. Nominations must be received by September 1, 2019. Please provide the following for nominees on one 8-1/2x11 page, pdf-format:

- Full name, email address and phone number
- About this Nominee - Provide an overview of the nominee's background, education and professional experience (150 words)
- Why this Nominee? - Describe how this nominee exhibits leadership and why they will benefit from the experience of the Conference (200 words)
