

SUSANNAH ROSS, ASLA
SENIOR LANDSCAPE
ARCHITECT

Susannah has extensive experience managing complex urban landscape design and construction. She is passionate about the design of public open spaces in urban settings. She enjoys exploring the potential of landscape design to enrich the daily life, health and well-being of city dwellers and urban ecology, and to shape the core identity of a city. She welcomes the challenge of designing to meet a diverse set of interests in a complex physical context. Prior to joining Agency, Susannah was a Senior Associate with Sasaki, where she worked for 16 years. Prior to that she was a software user interface designer.
